New church a celebration of faith

St. Michael's Roman Catholic receives blessings

A joy-filled ceremony rich with symbolism marked the solemn blessing of the new St. Michael's Roman Catholic Church last Saturday. The handsome new structure was filled with parishoners and many visitors for this very special occasion.

The ceremony began outdoors, where Parish Council President Ed Poulin presented Bishop Thomas Collins with the keys to the church. Bishop Collins blessed the doors, which then opened for the ceremonial procession led by the plumed-hatted Knights of Columbus, with the church choir leading the singing of "This Is the Day."

Bishop Collins blessed the structure with holy water, as the choir sang an adaptation of "Bless This House."

After a prayer of blessing, the Bishop presented the Lectionary to first reader Orest Sereda, who read from Nehemiah 8. Following the singing of Psalm 100, Allan Antonio gave the second reading, from 1 Corinthians 3. This was followed by a reading from the Gospel of Matthew, recitation of the Nicene Creed and the Litany of the Saints.

Bishop Collins told the large congregation that the blessing of the church "is richly symbolic. The church is the external symbol of the faith and dedication of this parish family. The readings have spoken to us of the meaning of the church... the church as its people. It is the home for the word of God... the words of the Scripture are a light for our paths." He asked the parishoners to "reach out in faith, hope and love to the people of this community" and said the church "must be a parish home of charity... a source of light and love." Bryce Sereda led the congregation in prayer.

Bishop Collins then carried out the con-

secration of the altar and the church, first anointing the altar and the four crosses at the corners of the church with chrism carried in a container which came from the first bishop of the diocese, and which is only used on very special occasions. He blessed the altar as "a place of worship, adoration and service" and then incensed the church, the fragrant smoke "rising like the prayers of the people to Heaven."

Orest Sereda lit the candles.

After the celebration of communion, the Bishop carried the Blessed

Sacrament in a procession through the church, ending at the taber-

nacle as the choir and congregation sang "Joyful, Joyful, We Adore Thee."

Members of the Church Board then signed the official documents, with the Bishop placing the diocese seal.

Mayor Ed Buck congratulated the parish for building their new home and the many volunteers who were involved in that effort. Good wishes were brought by Gerard Tremblay of the Lafond Parish Council, Gerald Ouellette of Brosseau's Church of St. Lawrence, St. Paul Parish Priest Father Sicotte and Mallaig Parish Priest Father Martin.

John Robertson of the Elk Point Christian Community Church brought greetings and blessings on behalf of Rev. Sam Donaldson, and presented a plaque bearing a message of brotherhood. "It's nice to think we are neighbors in the the community of Elk Point and the larger community of Christ," he said.

Father Edmond Croteau recalled the days approximately 15 years ago when evening masses were "celebrated in the dark" Father Pigeon, bursar of the Parish, called upon the congregation for "generosity of heart and wallet."

Greetings were also brought by the deacon of the Ukrainian Catholic churches in the area.

Ed Poulin spoke on behalf of the Parish Council, and said "to realize such a project, we have to be one in spirit. We are different in our talents, but form a single unit. This unity was very evident during the construction. A feeling of peace and unity is what I pray for with every day of my life."

After a final blessing by Bishop Collins, the ceremony ended with the recessional, "Holy God, We Praise Thy Name."

Teachers celebrated

ATA Local honors retirees and newcomers

The Greater St. Paul Local of the Alberta Teachers Association welcomed its newest members and bid a fond farewell to the year's retirees at their annual Induction and Retirement banquet Saturday in Elk Point.

The evening had a Las Vegas theme, complete with playing card decorations, a visit from Elk Point's own version of Elvis and entertainment by two talented young vocalists, Michelle Friesen and Pam Jabush. Mistress of Ceremonies was Kandy Cameron. Mayor Ed Buck brought greetings from the Town of Elk Point, while F. G. Miller High School's Randall Krys offered Grace.

Inductees were introduced by each

school's representative, with the ATA executive performing the induction ceremony. Rhonda Stuparyk and Aundrea Johnson are new teachers at Glen Avon, Sasha Labant, Corrine Petryk and Ryan Pashko are new at Racette, Lawren Wowk at Poundmakers, Angela Tilley at St. Paul Elementary, Rosalind Weston at Ashmont Secondary, Christie Sorochoan at Elk Point Elementary, April Herrington at Two Hills High School, and Dale Harris, Justin Holton, Connie Williams, Rachelle Bruneau and Natasha McLeod at St. Paul Regional. The last two of Regional's lineup, along with Lillian Baulkham and Val Levasseur of Ashmont Elementary, Brent Eklund of Mallaig and Barry Smith of Heinsburg were unable to attend. Randy Proskiw read "Teaching:

A Profession" and parts of the teachers' code of conduct, and District ATA Representative Ted Gerlinsky led the newcomers in the pledge and welcomed them to the ATA. Carol Soldan presented each of the new teachers with a package of ATA material.

Gerlinsky brought greetings on behalf of the ATA provincial executive council and encouraged the new teachers to become involved in the organization and all of the teachers to "stand up and be counted."

Ted Cabaj brought greetings from the central office, encouraging the newcomers, congratulating the retirees and telling the other teachers to "keep up the good work."

Two recipients of long service awards for 25 years of teaching, Sharron

Onciul of Glen Avon and Janine Huber of Ashmont Secondary, were unable to be on hand for the occasion.

Three of the eight retirees were also absent. James Conrad has taught at Glen Avon for 32 years and Gary Taylor for ten years, after teaching at CFB Cold Lake and at Delburne. Howard Meger has taught at Elk Point Elementary for the past 23 years. The remaining five were on hand to give a brief summary of their careers and to receive congratulations and retirement gifts. Four of these retirees, Cecil Telenko, Ted Gerlinsky, John Yopyk and George Kutash, have taught at Regional High School since it opened in 1970. Frances Richer of Racette has taught for 37 years in the St. Paul School Division.

CONSULTATION ON PRISONER VOTING

As a result of a recent decision on prisoner voting by the Alberta Court of Appeal, amendments to Alberta's Election Act will be made. The court ruled that in limited circumstances prisoners have the right to vote in elections conducted under the authority of the Legislative Assembly of Alberta.

Justice Minister Jon Havelock has appointed a three member MLA Committee to make recommendations on how Alberta will comply with the decision of the Court of Appeal. The committee chair is Barry McFarland, MLA Little Bow. Rob Loughheed, MLA Clover Bar-Fort Saskatchewan and Yvonne Fritz, MLA Calgary-Cross are committee members.

Your opinion on this issue is important.

You are invited to submit your views by Tuesday, October 13, 1998.

from the FCSS DESK

Have you met your new neighbors?

Elk Point extends a warm welcome to its newest residents

By Deanna Easthope
FCSS Director

The other day as I was doing some shopping in our Town of Elk Point, I noticed several faces of people who I have never seen before. Has this ever happened to you? It seems like there is a message here. My question: "Have new people moved into Town?" or "Are there people living in Town who have been here for a while, and I just have never had the chance to meet them?"

If you are new to Town ... have you contacted the FCSS Office and asked to receive a "Welcome Package" along with a visit from Ann and John Robertson? Ann and John will gladly answer any questions you may have about Elk Point.

And ... there are several gifts and information in the package itself from the various business and organizations in Town. So, if you are new, call the FCSS Office at 724-3800 between 9 am and 3 pm Monday to Friday.

As for the rest of us who live in Elk Point — Have we/you met your neighbors? A friendly welcome helps to make living in our Town a "treat".

I found some thoughts by an unknown author about friendliness that made a lot of sense to me. ... "Begin the day with friendliness and only friends you'll find ... Yes, greet the dawn with happiness, keep happy thoughts in mind ... Salute the day with peaceful thoughts and peace will fill your heart ... Begin the day

with joyful soul and joy will be your part ... Begin the day with friendliness, keep friendly all day long ... Keep in your soul a friendly thought, your heart a friendly song ... Have in your mind a word of cheer for all who come your way ... And they will bless you too, in turn, and wish you "Happy day!" ... Begin each day with friendly thoughts and as the day goes on ... Keep friendly, loving, good and kind just as you were at dawn ... The day will be a friendly one and then at night you'll find ... That you were happy all day long through friendly thoughts in mind."

Friendliness and kindness are two qualities that are similar. There is a poem by Mollie Moore that describe how the two go together. I will only quote the first two verses.

KINDNESS

The seeds of kindness may be small,
And yet they ricochet so fast
That hearts of sowers can't withhold

The fruits of love sown in the past

So let's deposit friendly acts
Within the bank of human life,

And thus accumulate a fund
To later ease our worldly strife.

DRUMMING IN ANOTHER SCHOOL YEAR -- Students and community members sang the flag raising drum song as elders circled the poles to show respect for the flags at Frog Lake Napewaew School's ceremonies to start the new school year.

Flag-raising starts new school year *Frog Lake celebrates with mini pow-wow*

On Thursday, September 10, students, teachers and members of the Frog Lake community met at Frog Lake Napewaew School for the annual flag-raising ceremony that marks the new school year.

To begin the day, students met in front of the school for a demonstration of a teepee raising. Elder, Gordon Dion, with the assistance of Francis Quinney and other members of the community, joined together to familiarize the students with the teepee and to explain the cultural symbolization that is woven into the raising of the teepee. Master of ceremonies Raymond Quinney explained to the students that the two cir-

cles at the bottom and the top of the teepee represented the circle of life. A teepee is raised in the spirit of cooperation and the fifteen poles used in the teepee represent the values that will lead to a successful life. The values illuminated by the teepee are obedience, love, joy, hope, happiness, respect, humility, strength, laughter, childrearing, cleanliness, honesty, safety, family and health.

After the teepee raising the students, staff and Elders joined together for the ceremonial raising of the Alberta and Canadian flags. Students from the school, with the assistance of members of the community, sang the flag raising drum

song as elders circled the poles in traditional step to show respect for the flags.

When the ceremony was over the community moved into the gym for prayers and shared a traditional feast to celebrate the beginning of a new school year.

The feast was followed by a mini pow-wow to entertain students and visitors alike. Students Eric Faithful, George Faithful and Craig Dion were joined by community members to sing and drum for the students of Frog Lake Napewaew School who dance pow-wow.

The day was a very successful one and was enjoyed by visitors and students.

ELVIS IS ALIVE AND WELL IN ELK POINT and was a big hit with the teachers attending the Alberta Teachers Association's annual Induction and Retirement ceremonies in Elk Point last Saturday. His visit fit in exceptionally well with the evening's lighthearted Las Vegas theme.

■ Early detection

Screen Test returns to Elk Point *A chance to beat breast cancer*

Breast cancer continues to be a major health threat for Alberta women. In Canada, it is the leading cause of years of life lost for women. Women can greatly reduce their chances of dying from breast cancer through a program of early detection.

A breast health program includes:

- * Learning and practising breast self-examination every month.
- * Having an annual clinic exam of the breasts by your doctor.
- * Having a mammogram (x-ray of the breast) every two years for women over 50.

Screen Test: Alberta Program for the Early Detection of Breast Cancer was established in 1990 specifically to provide early detection services to Alberta women. The program provides breast self-examination education and high quality mammography. Women aged 50-69 are invited to participate; women outside this age group may also be eligible to participate and should contact either Screen Test or their family

physician for more information.

An important part of the Screen Test program is our mobile service, which brings high quality mammography to women living outside of the major cities.

The program's goal is to decrease breast cancer deaths by 30 per cent amongst women in the target age group. As the program continues to develop, we will become more sure of being able to reach this goal.

While no woman would like to be told she has breast cancer, by finding it early a cure is very likely. Screen Test's rate of cancer detection is higher than international standards expect. Most cancers found are small with no signs of spread to other tissues. Thus, the chances for a cure are excellent.

For more information or to book an appointment for mobile services, call the toll free line: 1-800-667-0604.

Screen Test will be held in Elk Point Health Centre October 8, 15 & 16, 1998.

■ Are you protected?

Flu season is almost here

The influenza (flu) season usually arrives in Alberta by late November and lasts until spring. Persons receiving the flu vaccine in October and November should develop antibodies that will provide protection throughout the flu season. Yearly immunization prevents flu in about 75 per cent of people who take it and can reduce the severity of illness in others.

Anyone can get sick with the flu, however, certain groups of people are considered at greater risk of complications. These groups include:

- a) anyone age 65 or older
- b) those with chronic lung disease such as asthma, emphysema or cystic fibrosis
- c) individuals with chronic heart disease
- d) diabetics or other chronic metabolic disorders
- e) those with anemia
- f) anyone with diseases or undergoing treatment that suppresses immunity
- g) residents of nursing homes and other chronic care facilities

Household contacts and health care personnel with extensive contact with people who are at greater risk should also receive immunization.

People who meet these criteria can receive

immunization free of charge through the provincial immunization programs at health unit clinics.

Individuals with severe allergies to eggs and egg products should discuss their situation with the public health nurse or physician prior to seeking immunization for influenza.

Side effects from the immunization are minimal: slight tenderness at site of injection; slight elevation of temperature, chills, headache or mild nausea. These would occur in the first 24 hours following immunization. There is no live influenza virus in the vaccine so immunization cannot cause influenza.

Each health unit office will be holding clinics for flu immunization. Please watch for advertisements in your area.

REMINDER TO PARENTS OF TEENS AND CHILDREN: products containing ASA (ie. aspirin) should not be used to treat flu symptoms (or chickenpox) as there is a potential risk of development of Reye's Syndrome - a rare but serious disease involving the brain and liver.

Contact the nearest health unit office, or consult your doctor if you have any concerns or questions. **DON'T DELAY** - vaccine should be given by the middle of November.

Campground trashed by partying vandals

By Cst. C.M. Bedard
Elk Point RCMP

Elk Point RCMP are seeking the public's assistance in locating person(s) responsible for substantial damage that was done at the Stoney Lake Campground over the September 18-20 weekend. On Friday night, picnic tables were burned, the cookhouse roof was damaged and a fire was started on the dock.

Park Manager, Elena Drobot stated that beer cans and bottles were strewn in the water,

on shore and in the bush. The mess was cleaned up on Saturday with over 800 bottles and cans being collected.

On Saturday night vandals again attended the Stoney Lake Campground and did more damage to the cookhouse roof and once again littered the campgrounds with over 300 beer bottles and cans.

Stoney Lake Campground was abandoned by the Alberta Government and the County of St. Paul has made extensive efforts to rejuvenate the campground for the enjoyment of

the public. Reeve Ray Danyluk stated that this is not the first time the Campground has fallen victim to careless and thoughtless vandalism this year and stated that if this continues the County will have no choice but to shut down the Campground.

Elk Point RCMP are urging anyone with information to contact our office at 724-3964 or Crime Stoppers at 1-800-222-8477. You may be subject to a cash reward if the information received leads to a conviction.

Heinsburg high schoolers hit the volleyball courts

Visions of volleyballs are dancing in everyone's heads

By Juanita Daniels
Heinsburg School reporter

There is one thing on the

minds of many students this week, and that is volleyball, the sport of champions like Gabrielle Recce and Mark

Child.

I have volleyball on my mind because my friends have been pestering me to join the

team. I have steadfastly refused because I am now a reporter, devoted to tell the news as it happens. I no longer have time for recreation (at least that's my excuse for not joining).

The senior volleyball teams are shaping up nicely and practice is getting harder. So now I will introduce our senior teams and coaches:

Senior Girls: Sarah, Candace, Diana, Susanna, Melissa, Rochelle and Sheila.

Senior Boys: Ivan, Cody, Curtis, Robert, Martin, Roscoe, Aaron, Dustin, Eldon and Khoal.

This year, Mr. Tung and Mr. Smith will be coaching the boys and Ms. Jenkins will be working with the ladies.

The big game in Grand Centre is not far off. Digger, our school mascot, is lurking in the back of volleyball players' minds. (I can only imagine the images of volleyballs dancing in every volleyball player's head.)

So, for another week, this is goodbye. I will be leaving you with comments from our coaches and players about the upcoming season:

"Practice is hard. I joined the team so we could win County Cup again."

— Martin, player

"We think we have a shot at Provincials this year."

— Khoal and Roscoe, players

"Heinsburg Eagles volleyball teams are looking forward to an exciting year. We look to be competitive in both the junior and senior high volleyball leagues."

— Mr. Smith, coach

"The senior boys have a mix of veteran players and rookies, and we expect to be successful and we hope to go to the zones and maybe the Provincials."

— Mr. Tung, coach

"I think that we have a fairly good team, and we'll show our skills during competition."

— Sheila, player

what's NEWS at the LIBRARY?

Spectacular storytime for young adventurers

Record attendance for our trip to the moon

By Jennifer Caudron
Temporary Librarian

So far the biggest news at the library is me. I am the temporary librarian while Karina is away. So far so good. I have not had to deal with any major catastrophes. I have enjoyed meeting new faces as well as visiting with familiar ones. Storytime was a spectacular event. What I mean by spectacular is record attendance. Word must have gotten out that it was my first storytime. The more the merrier!

The story went on with Franklin's Secret Club. The kids were able to take part in the story as beaver's club the adventurers took a trip to the

moon. Little readers made special personalized space masks in order to join in with the story. They waited anxiously for the word to put on their masks, as the adventurers awaited blast off.

I will be here at the library for a couple more weeks while Karina enjoys her holiday, so I invite you to the library for some very fabulous reading, such as ...

Adult Fiction:

When, on a dare, a fourteen-year-old girl writes a letter to an imprisoned robber, it begins a relationship that becomes the stuff of legend in *The Most Wanted* by Jacquelyn Mitchard.

Wally Lamb's new fable-like novel, *I Know This Much Is True* looks at the life of Dominick, the same brother of a schizophrenic identical twin. Dominick must fight for both separation and wholeness in a house of fear dominated by Ray, a bully who abuses his power over the twins, his stepsons. To save himself, Dominick must confront his past, a journey that takes him to Sicily's Mount Etna.

Fiction for Young Adults:

After Belle Prater disappears, her son Woodrow goes to live with his grandparents in Coal Station, Virginia where everyone is curious about Belle's disappearance in *Belle*

Prater's Boy by Ruth White. A nominee for the 1999 Young Reader's Choice Award.

Carol Hanson begins to neglect her horse when she becomes fascinated with the story of the winged horse Pegasus in *Horseflies* from the Saddle Club.

Picture Books:

Andrew has a loose tooth and after both his mother and his father fail to pull it out, they decide to call a real expert in *Andrew's Loose Tooth* by Robert Munsch with pictures by Michael Martchenko.

Join the Bear family as they experience a ride on a gigantic roller coaster in *The Berenstain Bears Ride the*

Thunderbolt by Stan and Jan Berenstain. An Early Step Into Reading book.

THANK YOU

YUSHCHYSHYN, Victor

The family of the Late Victor Yushchyshyn would like to extend a sincere thank you to all who sent cards, flowers, food and visits during the time of our loss.

A very special thanks to the St. Paul St. Therese Hospital 2nd floor medical staff for their care and comfort and attention.

Thank you to Deacon Richard Nibogle for the care and comfort extended throughout the prayers and funeral.

A special thank you to the cantors, Mary Bezpalko, Katie Charchun and the singers, and altar boy Steve Senluk.

Many thanks to the ladies who prepared the lunch and the ladies of the Elk Point Holy Eucharist Ladies League who served and looked after whatever may have been forgotten.

We would also like to extend our gratitude to Yewchin's Funeral Home, John & Caroline Yewchin for your care and understanding.

We are forever grateful to all of you.

review **SPORTS** this week

The wait is over, folks -- the Elks are coming back!

Senior hockey will return to Elk Point after a three year break

By Doug Bassett
Review Sports

How long has it been since Elk Point had a senior hockey team? That's right. Too long. Three years. For three full seasons the Elks haven't been able to ice a team. Well, I'm pleased

to announce that the wait is over. Elk Point has applied to be reinstated in the Sask Alta League.

The Sask Alta League was made up of teams from Dewberry, Marwayne, Kitscoty and Vermilion last year. Also applying along with Elk Point this season are senior hockey teams from Mannville and Onion Lake.

Over the past six months a group of interested hockey people have joined together to

make this happen. The new President of the Elks hockey team, Jim Hawkins, along with vice-president Victor Stepa are very excited about the news and will be looking for financial support from the community, corporations, service clubs and individuals. Hawkins was also very pleased to announce the coach of this newly formed team is none other than George Bendixen, who coached the only Elk Point team to win a gold medal, the 1995 Bantams.

George may be known to some as a bit of a hard nose in his coaching methods, but he gets respect from his players and also gets results.

For the next two years, after winning the Gold medal, George coached the Midget Thunder, taking them to the Provincial finals in 1996 and 1997, losing out in the semi final games each time.

The new Elks team manager will be Doug Flett, another respected hockey man with lots of knowledge in managing hockey teams, who also made four trips to the semi-finals in provincials, working with Ron Dunlop for many years as the Midget Thunder manager. Many of the players who have played for these two respected men over the years will be returning to the Elks.

What else is happening in the world of sports? Well, just in case you haven't heard, the Leafs beat the Oilers 5 to 2 last week. Of course this is only pre-season, but the big, beautiful blue and white are still off to a good start.

The St. Paul Lions football team went 1 for 2 after a big win in Lac La Biche 20 to 0 last Tuesday, they took it on the chin from Bonnyville in the rain last Friday night. Peter Danyluk was called in to play quarterback for the second half of the Bonnyville game. This week the Lions are down in Wainwright on Friday night.

The Elk Point Minor Hockey registration final day is tomorrow. After this date, registrations will only be accepted in certain levels and circumstances where players are still needed to fill a team. The time has come to make commitments to the leagues and to Hockey Alberta, so don't delay registering your child any longer.

And last of all, I'd like to wish a big happy birthday today to a very good friend and loyal reader, Gillian Cousins. Gillian tells me she likes to read my stories first thing on Tuesday when the paper comes out. She also told me to put in something funny so she can have a good laugh. I don't know how many candles she has on her cake (I think it may be 29) but she still looks great.
